Distinguished Guests

Ladies & Gentlemen

A very good evening to one and all.

1. Thank you for taking time off your busy schedule to be here today to attend the SOE Fundraising Golf Challenge Dinner.

2. This year is the fifth Golf Fundraising Golf Challenge and SOE is very blessed to have received strong supports from a very generous key group of sponsors and donors who have helped to fund our community outreach programmes, namely
 - Nexia TS Pte Ltd - For supporting our SOE-Nexia TS Entrepreneur of the Year Award;
 - Credit Suisse – For presenting the SOE-Credit Suisse Entrepreneurs Forum;
 - Charles & Keith (Singapore) Pte Ltd - For their contribution to the Charles & Keith Partner Student Award in our Student Interviewer Programme;
 - Mr. Michael Sengol – As our Scholarship/Bursary Sponsor, the SOE-Michael Sengol Study Grant which to be given to SIM University.

3. The fundraising programme has helped SOE to build on its mission to continue cultivating an active entrepreneurial culture in Singapore and to inspire budding entrepreneurs among the students and youths.
4. To the Golf sponsors and golfers, I thank you for your continuing support and participation and I hope that you will join us in our forthcoming activities where we bring like-minded individuals together and foster meaningful networking platforms.
5. My heartfelt appreciation and gratitude to the Golf Committee and all parties involved for their contributions to make this golf event another success.
6. Moving forward, we will continue to amplify our message and aim for greater heights. Let's us all leave marks and pen the next chapter in our Spirit of Enterprise journey.
7. I thank you once again for joining us in the dinner and hope that you would enjoy the programme we have planned for you. Thank you.
