Introduction

The Spirit of Enterprise (SOE) is a non-profit organisation and registered Institution of a Public Character (IPC). We are now into our 23rd year, with a mission to promote and advance the entrepreneurial spirit in Singapore by honouring local self-reliant entrepreneurs operating small and medium-sized businesses (SMEs), while inspiring youth to become entrepreneurs by facilitating interaction, communication and knowledge dissemination between students and entrepreneurs.

SOE is served by a group of volunteer Board of Governors who help to drive and organise a series of programmes to promote entrepreneurship. The Board of Governors consists of established entrepreneurs and corporate senior management representatives.

Our non-profit organisation is funded solely through corporate and personal donations, and continual support from donors has played an integral role in allowing our organisation to plan and carry out initiatives that bring us a step closer to achieving our mission, and in creating a positive impact within the community.

About The SOE Fundraising Golf Challenge

In addition to support from donors, SOE also organises an annual golf tournament which serves as our main fundraising event each year where all proceeds go towards sustaining our operations and programmes.

The SOE Fundraising Golf Challenge promises a day of fun, entertainment and excitement, rounded up with a myriad of attractive prizes, gifts and a dinner-cum-auction event in the evening. This is also the perfect occasion for business networking and socialising amid philanthropic giving towards a worthy cause.

This year, the SOE Fundraising Golf Challenge will be held on 1 July 2026 (Wednesday) at Laguna National Golf Resort Club.

SOE Student Entrepreneur Programme (SEP)

In line with SOE's mission to promote entrepreneurship among youths, we conduct regular outreach programmes and workshops on entrepreneurship training for students.

SOE provides grants to schools and youth centres that wish to take up programmes based on the prescribed Student Entrepreneur Programme (SEP) content modules.

As part of this programme, we also encourage entrepreneurs within the SOE network to share about their entrepreneurial journeys with students via Career Talks and Learning Journeys organised by schools, as well as provide mentorship and guidance for their business development plans via business plan competitions.

SOE “Built To Grow” Training Series

An initiative introduced in 2023 in the form of a series of workshops, conducted by SOE Immediate Past President Mr Ismail Gafoor.

This training series covers content specially curated for SME business owners and C-suite executives, where they can learn how to grow their company to be the next Singapore icon and redefine what it means to be a great leader.

Participants can expect to be armed with knowledge on how to maximise their company's potential, and greatly impact how they strategise business growth.

SOE Student Interviewer Programme (SIP)

Since 2003, SOE has been reaching out to tertiary institutions to engage students to interview local successful business entrepreneurs. Through the interview processes, student interviewers get to hear first-hand accounts on stories of resilience and perseverance of the entrepreneurs – values which are essential to inculcate in young Singaporeans and youths today.

In addition, we hope the stories shared by the entrepreneurs will inspire our youths to take bold steps towards becoming entrepreneurs themselves, and to be a force for good and change as they contribute to the society and community.

To date, more than 1,600 students have benefitted from our Student Interviewer Programme and educational institutions have been supportive in including this programme as part of the students' curriculum.

Spirit of Enterprise (SOE) Awards Ceremony & Gala

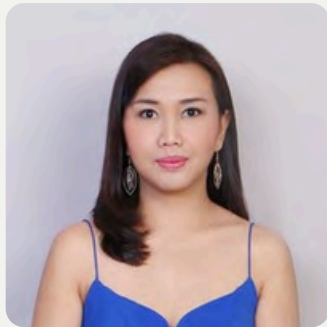

SOE organises the Spirit of Enterprise (SOE) Awards annually to honour and recognise our local business entrepreneurs' achievements. The award honourees are selected from the pool of SOE nominees interviewed by student interviewers under the SOE Student Interviewer Programme, and are exemplary role models who have contributed towards the economic development of Singapore.

The SOE Awards provides a platform for local entrepreneurs to be recognised for their entrepreneurial excellence, therefore encouraging innovation, fair practices and growth in entrepreneurship. The Awards also exemplifies the commitment of the local community that has come together to promote entrepreneurship in Singapore, having recognised and supported over 700 entrepreneurs in their journey to build sustainable businesses since 2003.

In conjunction with the Awards, an SOE Book is also published annually to chronicle the inspirational stories of featured Award Honourees.

Meet Our Board President & Golf Committee

Ms Novie Djayayanti
SOE President

Mr Teddy Sun
Golf Committee Chairman

Dr Jocelyn Tan
Golf Committee
Co-Chairperson

Ms Vanessa Ong
Golf Committee Member

***“We strive to engage and to give back to our local community
as well as to inspire and assist youths
towards fulfilling their dreams.”***

About The Event

We seek your generous support to make this event a resounding success, so that SOE can sustain our key initiatives and continue our mission to promote entrepreneurship by honoring entrepreneurs and inspiring youth. As a registered IPC, all cash donations to SOE are eligible for 250% tax deduction.
